

JOB ANNOUNCEMENT

President Position

The Citrus Research Program in California is the grower-funded and grower-directed program established under the California Marketing Act as the mechanism enabling the state's citrus producers to sponsor and support needed research. The program is administered by the Citrus Research Board (CRB).

The CRB is seeking a new President. The position will report to a Board of Grower Representatives and Secretary of the Department of Food and Agriculture through the Marketing Branch. Contact Oliver Search Consulting, attention Jeff Oliver, jeff@oliversc.com
