

Florida Cattlemen's Association Legislative Quarterly Meeting

The primary focus of this meeting is for cattlemen to meet personally with every State Senator and Representative or their staff to discuss our issues. The majority of the day Wednesday, March 12th will be spent at the Capitol visiting the elected officials' offices.

In keeping with our successful event last year, we will once again have a joint effort with the United Dairy Farmers of Florida to host a joint Legislator's Reception Wednesday evening at the Florida Historic Capitol Museum.
