

# New World Screw Worm Preparedness and Response Webinar

REGISTER NOW: [tinyurl.com/screwwormUGA](https://tinyurl.com/screwwormUGA)

Photo: U.S. Department of Agriculture

Join the University of Georgia Beef Team for a free educational webinar on the New World Screwworm and its potential impact on cattle health and herd management. Learn how to recognize signs of infestation, understand current risks, and explore practical prevention and response strategies to protect your operation. Don't miss this timely opportunity to hear from experts and stay informed!

## Overview:

### Why is it a Problem?

Dr. Nancy Hinkle, *Extension Veterinary Entomologist, UGA*

### If I Suspect New World Screwworm, What Do I Do?

Raymond Fitzpatrick, *ANR Agent, Franklin County*

### What Not to Do?

Dr. Allison Johnson, *ANR Agent, Dade County*

### Cattle Management Techniques

Dr. Brad Heins, *UGA College of Veterinary Medicine*

### Update

*Georgia Department of Agriculture Veterinary Office*

Thursday, March 19<sup>th</sup>, 2026
